IDENTIFYING ISSUES IMPACTING UTAHNS WITH DISABILITIES

September 14, 2011 by cpehrson

One of the CPDs partner agencies, the Disability Law Center, is asking for feedback about issues that affect people with disabilities in Utah.

This survey will help the DLC understand the issues impacting Utahns with disabilities as well as provide critical feedback about their programs and services. The online survey is completely anonymous and should take less than 10 minutes to complete. All surveys need to be **completed by September 25, 2011**.

The Disability Law Center is designated as the Protection and Advocacy agency for the state of Utah to protect the rights of people with disabilities in Utah.
